

# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **Grace Vaughan v Rita Thomas**  
Docket No. **267396**  
L.C. No. **00-002849-CH**

E. Thomas Fitzgerald, Judge, acting under MCR 7.211(E)(2), orders:

The motion to strike appellants' docketing statement is DENIED. As noted on the first page of the document, the docketing statement is used to screen cases for eligibility and suitability for the settlement program, and is sometimes used to initially resolve jurisdictional and transcript issues. It neither limits nor expands the issues that may be raised on appeal. Once appellants file their brief on appeal, appellees may challenge any issues raised in the brief by filing appropriate motions or by opposing the arguments in their own briefs.
